

**General:** Lambfal is a wide spectrum insecticide containing lambda-cyhalothrin for control of insect pests on cotton and other crops including grasshoppers, locusts and army worm. Lambfal is used for the control of insect pests in cotton and other crops.

**Caution:** Safety precautions have to be installed when using pesticides. Do not spray near sources of water. If used not according to instructions it may harm fertility, developing fetus and genetic substance.

**Environmental Caution:** The product is very toxic to aquatic organisms.

**Precautions:** When using the concentrate or spraying, appropriate protective clothes (long sleeved and protective garments made of PVC, mask, protective goggles, PVC or Neoprene gloves, shoes and socks) have to be worn. Eating drinking and smoking are not permitted.

**Mixing:** Shake well before use. Mix the suitable amount of the product with a little water. Pour the mixture in the spraying tank half filled with water gradually and while stirring with the blender and add the remaining water.

Crops	Pests	Dosage Kg/Ha	Spray volume L/Ha	The last spray before harvest in days
Cotton	Bollworms, Aphids, Jassids, strainers, plant bugs	0.4	200-400	14
Beans	Aphids, pod borers, pod bugs, leaf worms, bollworms, Thrips, beetles	0.4	200-400	3
Soya beans	Semilooperloopers, bollworms	0.4	200-400	3
Other vegetable	Bollworms, aphids, plant bugs, Thrips, beetles,	0.15-0.25	200-500	3
	Spodoptera spp.	0.25-0.4		3

# LAMBFAL

## Emulsion Concentrate

### Insecticide

**Active Ingredient:** lambda-cyhalothrin 5% EC

**Toxicity:** Health Hazard - level III

**U.N. No. :** 1993

**Please read the Label before use**

**For Agriculture use only – Not for Household use**

**AGRIANCE**

**Batch No:**

**Ex. Date:**

**Contains: 0.5/1 Liter**

**After use:**

**Cleaning the spraying equipment:** After spraying, the tank should be emptied from all the remains and the spray tank and all its parts have to be washed with water and detergent. The rinsing has to be disposed according to disposal instructions.

**Rinsing Disposal:** the rinsing from the spraying tank is not to be disposed of in fish ponds or sources of water.

**Time of reentering the sprayed site:** After the product has dried.

**Self-protection after use:** After day's use take wash with water and soap, change clothes, and launder the work clothes separately.

**Storage:** Store in a closed original container in a locked warehouse especially for pesticides, away from children and unauthorized personnel. Away from food for people or animals.

**Taking care of spilled material:** Material, which has been spilled or expired or spoiled while in storage, is considered as dangerous waste. It had to be absorbed in sand and transfer the absorbed material to the nearest disposal plant.

**Empty containers disposal:** Wash the containers thoroughly – at least 3 times or in a washing facility with pressured water. Add rinsing to the spray tank. Break crush or puncture and bury empty containers in a local authority landfill.

**First Aid:** in case of skin contact wash thoroughly with flowing water and soap thoroughly. In case of eye contact wash with flowing water at least 15-20 minutes. In case of swallowing do not make the person vomit. Immediately obtain medical attention and present the label of the product.

**Medical information :** in case of poisoning call Poisons Information Center

**ATTENTION:** Manufacturer is liable to product quality as long as it was sold in its original container. Application instructions are based on trials at which product was tested. Time & method of application, weather conditions, type of crop and mixing with other products which are not specified on the label, are not controlled, neither guaranteed by the manufacturer. By buying and using this product the buyer acknowledges and accepts these inherent unintended risks and agrees that all such risks, associated with the application and use are assumed by the buyer.

In no event shall the manufacturer be liable for any incidental, consequential, direct, indirect or special damages resulting from the use or handling of this product. Acceptance of these terms by the buyer is prerequisite to buying and using this product.
